3.4 Consider Authorizing a Table for Representation at the Our House, Our Home Spring Fest

This Saturday, the UCSB's Community Housing Office, together with the Isla Vista Tenants Union and the Isla Vista Recreation and Park District, is holding an event for students to learn more about housing issues and opportunities in Isla Vista (see attached flyer and event information). At this event there will be tabling from student groups, property owners, and service providers. The Community Housing Office has invited the Isla Vista Community Services District to table at this event. During this item, we will consider authorizing board members (and/or interns) to represent the district at this event and give them direction as to the focus and extent of the potential community outreach effort (including whether they should potentially ask for donations to the district) [*See Attachment E*].
